2006 G.A.M SHIRAZ

Vineyard Region  
McLaren Vale

**90/100**

“If you're puzzled by G.A.M., don't despair, it's the initials of Frank Mitolo's children. This is a cracking wine. It's chock-full of typically ripe and luxurious McLaren Vale shiraz with a savoury meat character melded into lush plum and blackcurrant. Silky-smooth opulent palate. A beauty.”

**Ray Jordan, The West Australian, April 2009.**

“The 2006 Shiraz “GAM” (the initials of the Mitolo children) was aged in French and American oak, 60% new. Opaque purple in color it has an aromatic array of roasted coffee, violets, lavender, pepper, Asian spices, blueberry and blackberry liqueur. In the mouth it is altogether hedonistic. It will evolve for 5-7 years and drink well through to 2026”

**Jay Miller for Robert Parker, Wine Enthusiast, October 2007.**

Pristine powerful and purple fruit; blue and blackberries, loads of spice and a restrained use of oak for such powerful fruit; very pure and bright on the vibrant finish.

**James Halliday, The Australian Wine Companion, July 2008**

**5 Stars**

“Another fine example of McLaren Vale shiraz. Mitolo's '06 is a stunner, packed with ripe, rich, generous fruit in a perfectly balanced package. It's almost juicy on the palate with refined grainy tannins to finish and no overt oak. I can't wait to try the next bottle.”

“The 2006 Mitolo G.A.M is deeply flavoured and approachable”
