2011 JESTER SANGIOVESE ROSÉ

Vineyard Region  
McLaren Vale

## PRESS REVIEWS

### 91 Points

Very pale pink; fragrant pure red cherry/cherry stone aromas; crisp, lively and fresh, excellent line of acidity.

**Australian Wine Companion, James Halliday, March 2011**

### Rating: \*\*\*\* 4 out of 5 stars - A cut above

Glossy pale to mid pink in the glass, a fragrant cherry to raspberry strap-like scent puts you in a rose mood. Spring is in the air, there's a zest in the glass, the fruit has bite and citrus-juice texture so it's supremely refreshing with a successful finish.

As with all good rose's, it's a perky, joy to drink.

Food: Seared tuna with tomato salsa

**taste.com.au, Tony Love, October 2011**

**Top 100 Wines, The Advertiser, November 2011**

### 92 Points

The darkest and most structured rosé in my Valentine's special, there is a texture here derived from the rounded phenolics of sangiovese skins. It's a refreshing and spicy style with lovely definition of strawberry, guava and watermelon fruit. Leave the aperitif, party-starting business to lighter rosés and keep the Jester on hand for spicy fusion pairing.

**www.tysonstelzer.com, Tyson Stelzer, February 2012**

### 90/100

The initial sweetness lends chunky weight rather than confectioned simplicity, dissolving in the presence of ample spice, lively acidity and a saline-mineral quality. Think grilled salmon, prosciutto-topped pizza or eggplant parmesan.
