2015 JESTER CABERNET SAUVIGNON  
McLAREN VALE

---

### SILVER MEDAL

Category- Cabernet Sauvignon, Australia, McLaren Vale.

**Melbourne International Wine Competition, July 2017**

### 89 POINTS

Bright and vivid, with raspberry coulis and black cherry flavours bursting through, showing density, intensity and juiciness. Bay leaf, licorice and black tea notes linger on the finish. Drink now through 2029.

### 93 POINTS

It's the extremely rich individual style of the Vale's cabernet, high octane cholate flavoured with coffee comes to mind, put it in a line-up of Coonawarra cabernets and it would seem an impost-er but in the Vale context its fine and very enjoyable

### 92 POINTS

The finest Jester Cabernet I can remember, this full-bodied yet supple wine features aromas of cassis, cedar and vanilla in fine balance. Cassis and chocolate flavors continue in the same vein, followed by a silky, long finish. Drink now - 2028.
