2019 JESTER SANGIOVESE ROSÉ  
McLAREN VALE

---

### 93 POINTS

Beautifully poised and delicate, yet offering terrific drinking, the wine shows sweet raspberry, watermelon, grapefruit and white floral notes on the nose, leading to a brilliantly focused palate that is bright and mouth-watering. At its best: now to 2021.

### 88 POINTS

This has lightened up over the years, guided by the contemporary curve of dry, herbal-etched thirst-slaking rose from these shores. All the better for it! A light salmon pink. Restrained scents of crunchy red berry fruits, maraschino cherry and musk. Plenty fresh, if not a bit too tangy.
