2020 JESTER SANGIOVESE ROSÉ
McLAREN VALE

93 POINTS

Made with sangiovese, this is a gorgeous rosé that is also easy to track down and great value. It is pale pink in colour and immediately pretty with its sour cherry, floral and red apple scented fruits with the perfect level of concentration for an elegant rosé style. It is then mid-weight with freshly-picked raspberry fruits and an attractive savoury edge kept lively by bright acidity. Delicious on its own but also has the weight to match up with cold cuts.

Angus Hughson, Wine Pilot. October 2020

93 POINTS

Delicate pale, fresh and bright yet with good flavour. .

Tony Love, November 2020.

91 POINTS

Pale, pale crimson in colour and a pale, savoury style. This is a dry, gently textural, refreshing rose with fruit sweetness turned down and the drinkability turned up. It's in a good place. It doesn't want to be reviewed; it wants to be consumed. I'd recommended.

Campbell Mattinson, The Wine Front. October 2020
