2015 JESTER VERMENTINO
McLAREN VALE

GOLD MEDAL

Sakura Japan Women's Wine Awards 2016

92 POINTS

Light but clean and very pleasant nose, starts slow but gathers power as it travels across the palate, still youthful but it should settle and be gorgeous for the summer

The Key Report, Tony Keys, November 2015

91 POINTS

It's on song once again. This is reliable and good. A bit of interest, a hit of fruit, and then curls of tangy/briney flavour through the finish. Indeed the aftertaste here lingers appreciably. Well worth seeking out.

SILVER MEDAL

Australian Alternative Varieties Wine Show 2015

The 2015 vintage, which was hot, dry and commenced early, provided the perfect scenario for this style to shine, and Mitolo vineyards at McLaren Vale shows off its best attributes nicely with its 2015 Jester Vermentino. The bite of lemon pith, a lick of rockmelon and a savoury edge to the mouthfeel gives a moreish quality that will have you reaching for a second glass on a sunny day
