### 90/100

Excellent example of this Sardinian variety. Has a fine texture and light body with typical floral and citrus notes. Perfect sipper with sardines and olives. 90/100

### 93 POINTS

Bright, youthful and pristine, this fabulously expressed wine shows Gala apple, white flesh nectarine and lemon pith characters on the nose with a hint of spice. The palate delivers finely textured mouthfeel together with juicy acidity, finishing long and delightfully vibrant. At its best: now to 2023.
