## 2019 CINQUECENTO SANGIOVESE

### TASTING NOTES

#### WHAT'S IN A NAME?

*Cinquecento means five hundred. Our Sangiovese comes from a single five hundred metre long row at the Lopresti family vineyards. This very long row celebrates family, food, wine and love.*

#### STYLE

Our Cinquecento is medium bodied with new world vibrancy. Juicy red fruits, spice and lively acidity. A decidedly silky Sangiovese. Sangiovese originally hails from Tuscany in central Italy where it is used to make some of the world's most revered wines. We carefully harvest the Sangiovese grapes by hand during the evening, then leave them to cool naturally as the temperature drops overnight at our winery.

#### VINEYARD

The fruit for this Sangiovese comes from a single five hundred metre long row at the Lopresti family vineyards in the Southern end of McLaren Vale. Our vineyard, which is about 3.5km east of Port Willunga at the southern end of McLaren Vale, offers the ideal Mediterranean climate to grow Sangiovese grapes befitting of our Italian roots.

#### VINIFICATION

Crushed, destemmed and fermented in 2 tonne open fermenters for 10 days. Post fermentation macerated for two weeks before being pressed into second and third use French oak hogsheads for natural Malolactic fermentation. Matured in French hogshead oak for 6 months to maintain it's freshness.

#### REGION

McLaren Vale

#### VARIETY

100% Sangiovese

#### HARVEST DATE

February 2019

#### BOTTLING DATE

7th October 2019

#### CLOSURE

Stelvin
